

BSRC Aquatic Center September 2020

The City of Beaumont is excited to open the Beaumont Sport and Recreation Center on September 14 for user groups and September 28 for the general public. Spectators are asked to remain in the dry viewing area while their family member(s) are in lessons, swim practice, lane swim, or public swim so that we can ensure as many patrons are able to be in the water at a time.

Entrance to the pool will be through the universal change room, please come prepared to the facility. Change rooms will be open but lockers remain offline. Bins for your belongings will be available for your item; bring the bin onto the pool deck and a staff member will place in a supervised location.
