RE: Sponsorship Request from the Chantal Bérubé Youth Centre

The Chantal Bérubé Youth Centre has been interacting with Beaumont's youth for 16 years and continues to be an extremely popular and well-utilized facility. The centre is a safe and supervised environment where youth can socialize with peers, build meaningful relationships and participate in a variety of engaging activities.

The generous support of the City of Beaumont, volunteer organizations and businesses in Beaumont and surrounding areas has allowed us to continue to offer fun, interactive, preventative and educational programming for youth aged 12-17. Due to the ongoing COVID-19 pandemic our programming is being offered virtually which has allowed us to stay connected with youth in our community

We have greatly appreciated all of the support we've received over the past twelve years and we are proud of our long time financial supporters. **Thank you!** Together we can participate in helping youth find purpose, value, and meaningful relationships. Our supporters will undoubtedly help shape their futures in an emerging culture that requires youth to develop critical skills in order to navigate an increasingly complex world. We understand that these are difficult economic times, but if you are able to provide a financial donation to support our youth, it would be greatly appreciated.

Thank you for your time and consideration of this request on behalf of all the youth, staff and volunteers of the Chantal Bérubé Youth Centre. Your investment in the Chantal Bérubé Youth Centres ongoing initiatives is very much appreciated and we value your commitment to Beaumont's most precious commodity, our youth!
