

Stage Form

Please indicate if you would like to rent the stage or not by either putting a line through the page or circling the option you wish the stage to be set up as.

This is an example of option 1

- Full set up size 12 feet Wide x 32 feet Long
- We have two sets of stairs, you can have both on either side or just one.
- There are 12 pieces in total and each square is 4ft x 8ft
- You can have as many or as little pieces as you would like
- Once the stage is set up it CANNOT be changed.

Please check one of the options you would like, if you would like option 4 please shade in or check mark the squares you would like the stage set up as.
