

Regular Council Meeting Notes

February 13, 2024

Parking Surfaces for Recreational Vehicles

Council defeated a motion by Coun. Nathan Netelenbos for Administration to prepare bylaw amendments that would allowed recreational vehicles to be parked on gravel pads, maintained grass areas, sidewalks blocks, or other stable surfaces.

E-Scooter Pilot Program

Council approved a motion by Coun. Nathan Netelenbos for Administration to prepare a report on the feasibility of an electric scooter pilot program in Beaumont, including costs, liability, and other factors.

Sale of City-Owned Land

Council approved the sale of city-owned property at 5608 30 Avenue in accordance with certain terms. Details of the sale are protected by sections of the Freedom of Information and Protection of Privacy Act applying to the economic interests of a public body and advice provided to elected officials, pending the closing of the sale and registration of the land title.

Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
