

Regular Council Meeting Notes

June 28, 2022

Open Forum (3:37)

Residents spoke to Council about their concerns regarding development in Beaumont and the City's Land Use Bylaw.

Lakeview Area Structure Plan (24:31)

Council approved [changes to the Lakeview Area Structure Plan](#). Changes include adjustments to the size and configuration of a school site, shifting proposed roadways and commercial site locations, and reconfiguring the trail network.

Lakeview Redistricting (0:20) [Part 2]

Council approved [changes to the land use](#) for portions of the Lakeview neighbourhood from Agricultural Holding to Commercial District, Conventional Neighbourhood District and Integrated Neighbourhood District, reflecting the proposed Area Structure Plan.

Pickleball Facilities (10:03) [Part 2]

Council reviewed a [report with options](#) to include pickleball in the design for the replacement outdoor rink new Bellevue School. After considering the options, council voted to have lines painted and temporary nets provided at the outdoor rinks near the Ken Nichol Regional Recreation Centre and Ecole Dansereau School as short-term solutions.

General Public Access for City Ice Surfaces (34:12)

Council [approved a motion](#) by Coun. Ashley Miller referring ice times to the Recreation and Parks Advisory Committee to review opportunities to expand and improve general public access times.

Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
