

Regular Council Meeting Notes

August 24, 2021

Environmental Master Plan (0:10)

Council [approved a policy](#) governing procurement of goods and services and construction contracts by the City of Beaumont. The policy helps ensure purchasing by city administration is fair, transparent and in accordance with trade agreements.

Affordable Housing Strategy (5:26)

Council [approved a strategy](#) to address gaps in housing options in Beaumont. The strategy identifies the types of affordable housing needed in the community and provides approaches to support the development of more housing options.

Notice of Motion - Encroachments on city rights of way (45:52)

Council deliberated a motion by Mayor John Stewart directing administration to prepare a report outlining potential circumstances in which private development could encroach on city rights of way. Mayor Stewart withdrew his motion after discussion by council and further input from administration.

Notice of Motion - Transportation Options (1:12:04)

Council deliberated a motion by Mayor John Stewart directing administration to research transportation options for seniors and others to access locations within and outside Beaumont, including disabled adult transit, bus on demand, ridesharing, tax vouchers and other options. Mayor Stewart withdrew his motion following discussion by council.

Please note these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
