

# Regular Council Meeting Notes

February 25, 2020

## **Beau Val Park/Beaumont Lakes South Area Structure Plan (3:55)**

Following a public hearing, council approved amendments to the Beau Val Park/Beaumont Lakes South Area Plan Amendments, including changing the designated land use for one parcel of land and updating the planned density of the area.

## **Beaumont Sport and Recreation Centre Update (47:31)**

Council received an update from BR2, the city's contracted project management consultant, on progress of the Beaumont Sport and Recreation Centre project. The consultant noted that the project is on schedule at approximately 80 per cent completion.

## **Regional Transit (57:31)**

Council voted to support an application to the Alberta government to create a Regional Transit Services Commission and directed administration to continue work towards implementing a regional transit model. Once established, the commission would deliver integrated transit services among participating municipalities in the Edmonton Metropolitan Region.

## **2020 Budget (1:38:56)**

Council approved the city's 2020 budget. The budget includes a 1.6 per cent property tax increase and funds the city's operating, capital and utility costs for the 2020 year.

## **Fees and Charges Bylaw (1:47:01)**

Council approved the 2020 fees and charges for city services, including recreation, building and development permits, and child care.

*Please note these summaries are not an official record of council meetings. Official minutes are **posted online** once they are approved during a subsequent meeting.*
