

# Regular Council Meeting Notes

June 22, 2021

## **Air Services Opportunities Fund (4:44)**

Council approved a [contribution of \\$222,500](#) over three years for a fund to support efforts by the Edmonton International Airport to retain and attract air service routes. Municipalities in the Edmonton region are contributing a total of up to \$15 million for the fund, to be administered by Edmonton Global.

## **Social Master Plan Progress Review (53:41)**

Council received an [update on progress](#) on implementation of Beaumont's Social Master Plan. The plan was approved in June 2019, with actions to enhance the well-being of Beaumont residents through "compassion, inclusion and resiliency."

## **Performing Arts Centre Steering Committee (1:37:57)**

Council approved the [terms of reference for a steering committee](#) to review work completed to date for a performing arts centre and make recommendations for its size, site, design and operational model. Council also [approved the appointment](#) of six members to the steering committee.

The steering committee is expected to provide recommendations to council for the 2023 budget process.

## **Lakeview Redistricting (2:03:54)**

Council [approved the first of three readings](#) needed to change the designated use of portions of land within Lakeview.

## **Kick it to the Curb Program (2:27:25)**

Council approved a motion from Coun. Martin Stout to consider implementing a program that would allow residents to swap unwanted items by leaving them on their curbs during a designated day. The program will be considered in the 2022 budget process.

*Please note these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.*
