

Regular Council Meeting Notes

September 14, 2021

2021-2022 Council Work Plan (5:23)

Council [discussed a work plan](#) that sets out areas and activities of focus for Council and City Administration for the next nine months. Key work includes an orientation for Council following the October 18 municipal election, 2022 budget deliberations, Council strategic planning, and a review of the City's automated enforcement program.

Performing Arts Proposal (18:06)

Council [discussed a funding request](#) for a 150-seat theatre. The project was proposed to Council in June 8 and at the time was referred to a future Committee of the Whole meeting for further discussion. However, the last scheduled Committee meeting before the municipal election had been cancelled.

Administration recommended referring the proposal to a steering committee reviewing options for a city-owned performing arts facility, however, Council voted to refer the item to a Committee of the Whole meeting following the election.

Digital Marketing Grant (46:08)

Council allocated funds remaining from a COVID-19 small business support program to a grant program that would enable small businesses in Beaumont to establish web sites.

Please note these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
