# Regular Council Meeting Notes

September 8, 2020

### Resident Presentation - Animal Control Bylaw (3:39)

Beaumont resident Joshua Arnold told council he felt the city's animal control bylaw is excessively restrictive for cat owners and asked council to amend the bylaw. Council asked administration to prepare a report on the bylaw for discussion at an upcoming meeting of Committee of the Whole.

# 2021 Budget Process (17:39)

Council approved a process and schedule to establish the city's budget for 2021.

# **Public Participation Policy (56:56)**

Council <u>approved a policy</u> that guides the scope and approach of public engagement to support city operations and decision-making.

# **Bus-On-Demand Service (1:11:49)**

City administration <u>proposed a public engagement process</u> to understand commuter transit use and rider needs for a potential bus-on-demand service. Council opted to defer a decision and discuss the matter further during an upcoming Committee of the Whole meeting.

Please note these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
