

Special Regular Council Meeting Notes

April 20, 2021

2021 Budget Amendment (0:46)

Council approved [amendments to the 2021 budget](#), including additional funding to complete a library expansion design study and a watershed study to determine work needed to improve natural drainage corridors in the west portion of land annexed by Beaumont. The changes had no impact on the city's 2021 property tax levy.

Small Business Support Grant (41:03)

Council deferred a motion by Mayor John Stewart to establish a grant through the Leduc & Wetaskiwin Chamber of Commerce to help businesses access COVID-19 financial supports. The Mayor will consult with the Beaumont Chamber of Commerce on its ability to deliver the grant program before the item returns to council April 27 for a decision.

Please note these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
