

Regular Council Meeting Notes

May 14, 2024

Arts and Community Grants Funding Allocations

Council approved grant funding allocations from the Arts Grant and Community Grant programs. Funding allocations are recommended by a committee of residents. Total funding of \$31,075 was awarded from the Arts Grant program for three applications, and \$35,000 was awarded from the Community Grant program for six applications.

Trail Lighting Study

Council discussed the results of a study of the feasibility and costs to install lights along sections of outdoor trails in Beaumont. The item will be brought to Council for consideration during 2025 budget deliberations in the fall.

Budget Process Overview

Council approved a process for the 2025 budget that includes two open houses for the public to learn details of the proposed budget this fall.

Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
