

# Special Council Meeting Notes

April 16, 2024

## Place Chaleureuse Land Use Amendment

Council approved the first of three votes that would amend the designation of a parcel of land in Place Chaleureuse from Commercial to Integrated Neighbourhood and allow the development of medium density housing. The application will proceed to a public hearing.

## 2024 Budget Amendment

Council approved amendments to the 2024 budget reflecting the results of assessment growth, items carried forward from the previous year, and funding for a review of off-site levies. The amendments have no impact on the approved tax levy.

*Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.*
