

# Regular Council Meeting Notes

April 9, 2024

## Élan 2 Neighbourhood Structure Plan and Redistricting

Following a public hearing, Council approved a Neighbourhood Structure Plan for the Élan 2 Neighbourhood south of Township Road 505 and encompassing the West Recreation Site. Council also approved changing the designation of the land from Agricultural Holdings to Integrated Neighbourhood. The decisions allow for construction of a high school project south of the West Recreation Site.

## RV Sanitary Dump Design

Council received a report on the design, location and cost for an RV sanitary dump. The proposed facility, if approved, would be located at the City's Operations Facility on Township Road 510 and cost approximately \$1.3 million to construct.

## Health Services Action Plan

Council received a plan detailing the proposed implementation of recommendations arising from a Community Health Needs Assessment that examined Beaumont's current and future health care service needs.

*Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.*
