

Regular Council Meeting Notes

May 28, 2024

Beaumont Library Update

Council received an update on the activities and accomplishments of the Beaumont Library this year.

Registration for City Programs

Council reviewed the details of planned changes to registration for recreation programming in order to address ongoing challenges for residents. Registration will be divided from two to four intakes per year and an online queue will be established to manage high volume registrations.

Automated Traffic Enforcement Policy

Council approved an updated policy for the use of Automated Traffic Enforcement to ensure it complies with provincial guidelines and aligns with traffic safety priorities.

2023 Audited Financial Statements

Council received the 2023 Audited Financial Statements for the City of Beaumont.

Cricket Practice Pitch

Council reviewed the details of a report on the cost, design, and location for a cricket practice pitch.

46 Avenue Redesign and Construction

Council received a report on the cost and details of a project to redesign a section of 46 Avenue in Ruisseau to remove the median and increase the width of the road.

Reducing Costs on Public Engagement

Council approved a motion by Coun. Nathan Netelenbos for Administration to prepare a report on ways to reduce the City's costs for public engagement and encourage more public participation in engagement.

Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
