This guide provides a general overview for potential candidates in the 2025 General Election. It does not have legislative authority, nor does it cover all aspects of the roles of Councillor or Mayor, election procedures, or election legislation. It is not a substitute for legal advice. Candidates are encouraged to obtain and review the Local Authorities Election Act and other relevant legislation.

It is the candidate's responsibility to understand all legislation governing elections, seek legal advice when needed, or contact Municipal Affairs for clarification on provincial requirements.

General election information is available at <https://www.beaumont.ab.ca/government/election/> or on the Municipal Affairs website at <https://www.alberta.ca/municipal-elections-overview>

Please be aware that there have been a number of legislation amendments to the *Local Authorities Election Act*, and we recommend that you make yourself familiar with those changes.

Information on the above websites may be updated periodically. Candidates are responsible for ensuring they stay informed of any changes or new requirements.

City of Beaumont Elected Officials and School Board Trustee

Mayor and Councillors

The positions of Mayor and Councillor are at-large elections, meaning that each person elected represents the City of Beaumont as a whole and not any particular section or ward of the municipality.

Black Gold Regional Schools

The City of Beaumont, by agreement, conducts the election on behalf of the Black Gold School Division, for two (2) School Trustees to represent the City of Beaumont.

St. Thomas Aquinas Roman Catholic Separate School Division

The City of Beaumont, by agreement, conducts the election on behalf of the St. Thomas Aquinas Roman Catholic Separate School Division, for one (1) Catholic School Trustee to represent the Catholic residents of Beaumont.

Duties of a Member of Council

The *Municipal Government Act* (MGA) outlines the following general duties and principles for Mayor and Councillors:

- consider and promote the welfare and interests of the municipality;
- promote an integrated and strategic approach to intermunicipal land use planning and service delivery with neighbouring municipalities;
- participate generally in developing and evaluating municipal policies and programs;
- participate in council meetings, council committee meetings, and meetings of other bodies to which they have been appointed by council;
- obtain information about the operation or administration of the municipality from the chief administrative officer;
- keep in confidence matters discussed in private (closed session) at a council or council committee meeting until discussed at a public meeting;
- adhere to the code of conduct established by council under the MGA;
- perform any other duty or function imposed on council members by the MGA, or any other enactment, or by council.

The Mayor is the chief elected official of the municipality and has duties that encompass those of both councillor and chief elected official. In addition to performing the duties of a member of council, the MGA requires the Mayor to:

- preside at council meetings; and
- perform other duties imposed on the Mayor by the MGA or any other enactment or bylaw.

Deputy Mayor Duties and Responsibilities

In the absence of the Mayor, the Deputy Mayor will perform the Mayor's role as required. The Mayor's position is a full-time position; therefore, the Deputy Mayor is expected to remain in the community during the Mayor's scheduled absences and be readily available, sometimes on short notice, to perform the necessary duties. Council determines the rotating, rostered schedule for the Deputy Mayor at its first organizational meeting after the general election (the schedule may be amended from time to time to accommodate by-elections or an unforeseen illness).

Time Commitment

The position of Mayor is a full-time commitment and requires a regular presence in the office during business hours. The Mayor's time is spent working closely with Council, senior administration and community representatives to develop plans and strategies important to the Municipality's business and to help resolve issues which arise in the community. The position of Mayor also includes being appointed to internal and external Boards and Committees.

The position of Councillor is considered to be part-time; however, in addition to Council Meetings, Councillors are appointed to any number of Boards and Committees, which often hold their meetings in the evenings. Councillors may also be invited to multiple community events throughout their term, which are not mandatory to attend but will add to the time commitment depending on the number of invitations and type of events that are accepted by the Councillor.

The following provides a sample overview of the time commitment for elected officials:

- 2 evening Regular Council meetings (approximately 6:00pm to 9:00pm)
- 1 evening Committee of the Whole meeting (approximately 5:00pm to 8:00PM)
- 2 full day Budget meetings (9:00am to 5:00pm)
- 1 half day Budget meeting (8:30 to noon)
- Meeting preparation 3-6 hours per week (depending on agenda)
- Special meetings as required (average 1 per month)
- 1-2 Board and Committee meetings (average 2-3 per month)

***Please note:** The above estimates are provided to give candidates a general understanding of the time commitment required to fulfill the duties of Mayor or Councillor.

Council and Other Meetings

Council Meetings	Public Meetings are currently held the 2nd and 4th Tuesdays of the month beginning at 6:00 pm, excluding statutory holidays and any scheduled vacation periods.
Committee of the Whole	Public meetings are currently held the 3rd Tuesday of the month beginning at 5:00pm, excluding statutory holidays and any scheduled vacation periods.
Committee Participation	There are several external committees which request Council representation. Meetings are typically held in the evening to accommodate appointed members' schedules. Start times vary depending on the committee.

Council Orientation

Under the MGA, the Municipality is required to offer orientation training, and a council member is required to attend. This orientation typically takes place over several days and provides an overview of multiple topics such as Council’s role, responsibilities and duties, key municipal plans, bylaws and policies, budgeting and financial administration, strategic planning, etc.

Strategic Planning

Council holds several working sessions throughout the year for corporate planning initiatives. All Elected Officials are expected to commit a minimum of two full days on weekends or 3-4 evenings.

Budget Meeting

An average of 3.5 days (daytime hours) is required annually, typically in November or December, to review Operating, Utilities, and Capital Budgets.

Community Events

Council Members are often invited to community events throughout the region. These events are not mandatory to attend, and it is up to each individual council member on the number of events they choose to participate in.

A candidate who has incurred campaign expenses or received contributions of \$50,000 or more shall file a review engagement with a disclosure statement.

A candidate who withdraws their nomination at any time during the nomination period is required to file their disclosure statement by the deadline, March 1 of the year.

Campaign Surplus

If a candidate's disclosure statement in respect of the year in which a general election was held or in the case of a by-election shows a surplus, the candidate, within 60 days after filing the disclosure statement with the local jurisdiction:

- shall, with respect to any amount that is \$1000 or more, donate an amount to a registered charity that results in the surplus being less than \$1000; and
- may, with respect to any amount that is less than \$1000:

 - donate all or any portion of that amount to a registered charity.

Campaign Deficit

For the purpose of eliminating a deficit referred to in the above, a candidate may accept contributions in accordance with the *Local Authorities Election Act* during the 60-day period. A candidate shall not accept a contribution of an amount that exceeds \$5000 from any single contributor for the purpose of a deficit.

A candidate may make a contribution from the candidate's own funds that does not exceed \$10,000 to reduce a deficit shown on the candidate's disclosure statement.

A candidate shall, within 30 days after the expiration of the 60-day period, file an amended disclosure statement showing that the deficit has been eliminated.

Late Filing

A candidate who is required to file a disclosure statement and fails to file that document by the filing deadline must pay a late filing fee of \$500 to the relevant local jurisdiction.

If the candidate's return is not filed and no later than 10 days after the deadline, the local jurisdiction must transmit a report to council in relation to the candidate not filing at the deadline.

If the late filing fee is not paid within 30 days after the date the fee was payable, the local jurisdiction shall send a notice to the candidate, indicating the amount of the late filing fee that is required to be paid.

If a candidate who is sent a notice by the local jurisdiction fails to pay the late filing fee set out in the notice, the local jurisdiction may file a copy of the notice with the clerk of the Court of King's Bench, and, on being filed, the notice has the same force and effect and may be enforced as if it were a judgment of the Court.

Campaign Rules

Candidates must be aware of the rules around campaigning. Campaigning is generally permitted in virtual spaces, on private property, through election advertising and canvassing; however, some restrictions apply.

The *Local Authorities Election Act* prohibits the use of a representation or facsimile of the ballot used on Election Day in any advertising, except by a Returning Officer. Using the candidate's name with an "x" beside is not considered a representation of the ballot.

Advertising, including election signs, is not permitted to be displayed or distributed within a voting station or within the boundaries of the land on which a building used for a voting station is located on an advance voting day or on election day. A person is not permitted to canvas or solicit votes at a voting station nor is a person permitted to communicate with a person for the purpose of influencing that person's vote in a voting station or within the boundaries of the land on which a building used for a voting station is located, whether on an advance voting day or on election day. Any such campaigning will be removed or stopped, and those obstructing the voting process or taking part in campaign activities will be required to leave the property. Any person who violates the advertising requirements of the *Local Authorities Election Act* is guilty of an offence and liable to a fine.

Eligibility to Vote and Voter Information

A person is eligible to vote in an election held pursuant to the *Local Authorities Election Act* if the person:

- is at least 18 years old;
- is a Canadian citizen; and

Permanent Elector Register

A municipality must prepare a permanent electors register of residents in the municipality who are eligible to vote that is compiled and revised primarily using information received from the Chief Electoral Officer (Elections Alberta). The municipality will enter into an agreement with the Chief Electoral Officer under the *Election Act*.

The City of Beaumont will actively encourage voters to register or update their address if they have recently moved to Beaumont. While voters can register at any time, registering in advance streamlines the voting process, allowing voters to avoid registering at the voting station.

Candidates are encouraged to direct people to the Elections Alberta website to register. Voters can register with Elections Alberta website at <https://www.elections.ab.ca/voters/register-to-vote/>

Access to Register Voter List

Candidates do not have access to the general voters list.

A person who is not on the elector register must make a statement that the person is eligible to vote as an elector in the presence of an officer at the voting station, in the prescribed form validates the person's identity and address of the person's residence. The statement must include the address of the person's residence by producing one of the following:

- one piece of identification issued by a Canadian government, whether federal, provincial or local, or an agency of that government, that contains a photograph of the person, the person's name and the address of the person's residence;
- one piece of identification authorized by the Chief Electoral Officer under the Election Act that establishes the person's name and current address; or
